INNOVATION DRIVING INNOVATION NAVIGATING HEALTH NAVIGATE

The "Healthplex Expo 2025, Natural & Nutraceutical Products China 2025" (HNC 2025), jointly presented by CCCMHPIE and Sinoexpo Informa Markets, will be grandly unveiled at the National Exhibition and Convention Center (Shanghai) from **June 24th to 26th, 2025**. During the past 14 years, with the spirit of innovation constituting its soul, the HNC has been regarded as a core trade show for brands and manufacturers to expand their markets, capture industry trends, develop distribution channels and keep up with regulatory changes, exploring the latest development direction in the field of health and nutrition year after year.

In 2025, the organizers will recruit nationwide agents, distributors, importer and exporters, health brand enterprises, e-business enterprises and other omni-channel professional buyers in the health industry. Meanwhile, the HNC will concentrate on enriching the exhibit categories, from popular meal replacements, functional gummies, dietary supplements, registered blue-hat products, foods for special medical purposes, to medicinal & food homologous products, inner beauty products, pet health products, healthy snacks, creative packaging, etc., aiming to meet the needs of different buyers, and also to provide exhibitors with a precise professional business matchmaking platform that delivers new products and displays market segments. Furthermore, the HNC will invite industry leaders to interpret the industry trends, as well as open up more diversified channels for exhibitors, such as e-businesses, pharmacy chains, membership-based supermarkets, group purchasing, etc.

BIOHIGH
百合股份
股票代码: 603102

WEIHAI BAIHE BIOLOGY TECHNOLOGICAL CO., LTD. (BIOHIGH)

As the only Shanghai-listed company in the nutrition and health food industry in China, BIOHIGH has been an old friend of HNC for many years. Through the platform of HNC, we directly face more professional visitors, industry experts and potential customers from all over the world. BIOHIGH's innovative nutritional and health food, professional services and one-stop product solutions have gained recognition from more and more people in the industry. During the exhibition, BIOHIGH has organized the "Scientific Nutrition & Infinite Innovation" forum for many consecutive years. From the latest industry dynamics, the market trend analysis, the segmented and precise nutrition solutions, to more than 500 innovative categories each year, BIOHIGH has provided more breakthrough ideas with its professional, innovative and high-quality services for the industry's innovative development. In the future, BIOHIGH looks forward to continuing to work with HNC to create new development in the nutrition industry.

SIRIO
仙乐健康

SIRIO PHARMA CO., LTD.

As one of the largest and most far-reaching nutrition and health exhibitions in China, the HNC is full of highlights and surprises at every step. We are grateful to HNC for building such an important communication platform for the industry. We hope that in 2025, HNC will continue to enhance the influence of the exhibition with innovation and excitement.

COSMAX
THE SCIENCE OF KOREAN BEAUTY

COSMAXNBT SHANGHAI CO., LTD.

We sincerely appreciate the excellent bridge built by HNC, which enables us to demonstrate our abundant strength and unique charm in an all-round and multi-angle manner, and has become a bond of trust between clients and consumers. We are deeply honored to have face-to-face exchanges with many industry elites, and jointly discuss the latest trends in market development and the cutting-edge dynamics of technological innovation. These valuable interactions have brought us profound insights and inspirations, encouraging us to pursue more innovations and opportunities. COSMAXNBT sincerely hopes to deepen the cooperation with HNC, explore new space in the market, and work together to promote industrial innovation and development, and create a more prosperous and win-win future.

Function
Function VIK

FUNCTION (QINGDAO) MARINE TECHNOLOGY CO., LTD.

FUNCTION, one of the world's leading enterprises in krill oil sales, has participated in HNC for many consecutive years. The HNC has witnessed the growth of FUNCTION every year. The HNC is not only a window for us to showcase our brand strength, but also a bridge for us to establish connections and deepen cooperation with global partners, which plays a vital role in FUNCTION's product R&D and market expansion. We look forward to continuing to work with the HNC in the future, growing together in the health and nutrition field, offering more high-quality products and services to global consumers, and contributing Chinese wisdom and strength to the global health cause.

PROMOTION RESOURCES

Omni-Channel Publicity,
Inviting High-Quality Professional Buyers

*The list is in no particular order.

Quality Resources from Local Associations

Through the relationship network with the Committee of Health Care Consultation of China Health Care Association, Health Care Food Profession Association of Guangdong Province, Zhejiang Health Products and Cosmetics Industry Association, etc., the member enterprises and distributors/agents in various regions are organized into strong groups of professional visitors.

Integrating Global Resources

The organizers take advantage of the global show resources from the health, nutrition, beauty and food sectors of Informa Markets, as well as the resources from CCCMHPIE and global partners, to invite overseas buyers from multiple channels.

Online & Offline Publicity

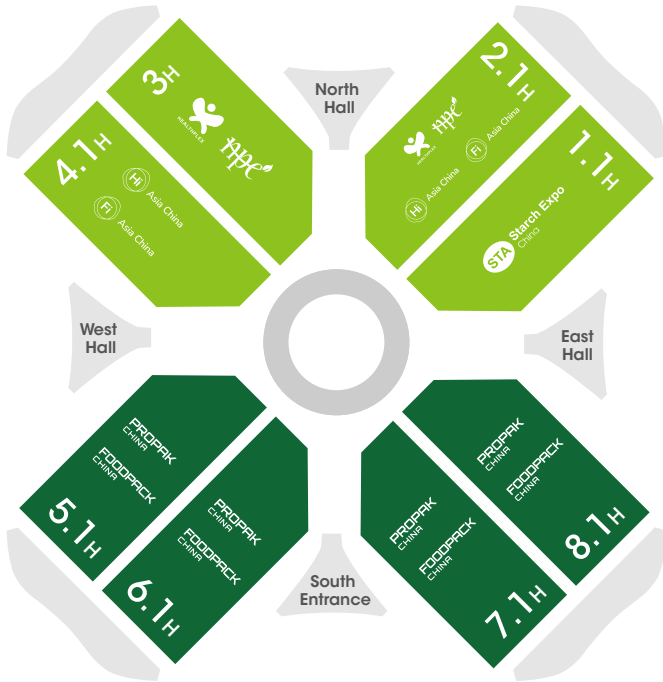

The organizers promote the exhibition and enterprises through channels such as vertical media, news feed ads, search engine marketing (SEM), news releases, short videos, influencer marketing, online live streaming, etc., as well as the offline channels such as airport/railway station advertising, subway station advertising, outdoor advertising, TV advertising in the office building, radio advertising, newspaper and magazine advertising.

*The list is in no particular order.

National Exhibition and Convention Center (Shanghai)

The National Exhibition and Convention Center (Shanghai) owns 17 exhibition halls with a total display area of nearly 600,000 square meters, among which Hall 3 is a column-free exhibition hall with unparalleled display space, providing unlimited possibilities for construction. The NECC (Shanghai) is located in the core area of the Yangtze River Delta region and situated in the western part of the core area of the Hongqiao Business District in Shanghai. Being about 1.5 km away from Hongqiao Transportation Hub, the NECC (Shanghai) is linked to Hongqiao Airport and Hongqiao Railway Station by the city's metro line. Because of the convenient national highway network, the major cities in the Yangtze River Delta region are easily reachable within 2 hours.
