## 2025.12.16-18

Shenzhen World Exhibition & Convention Center

# CREATE A NEW MILESTONE EMBARK ON A NEW JOURNEY

Co-organized by CCCMHPIE and Sinoexpo Informa Markets, the "Healthplex Expo, Natural & Nutraceutical Products Shenzhen 2025" (HNC Shenzhen 2025) will take place at the Shenzhen World Exhibition & Convention Center from **December 16th to 18th, 2025**. The HNC Shenzhen 2025 will be co-located with Hi & Fi Shenzhen, joining efforts to create "Shenzhen International Nutrition and Health Industry Fair". As the year-end highlight of the health and nutrition industry, the HNC Shenzhen 2025 will once again bring together global industry elites and integrate the resources of professional buyers and industry associations, gathering distributors, agents, importers, exporters, e-commerce and WeChat-businesses, retailers, food and beverage enterprises, etc. The exhibition will drive market expansion in Guangdong-Hong Kong-Macao Greater Bay Area and will inject strong impetus into promoting the vigorous development of health industry.

The HNC Shenzhen 2025 will be held concurrently with the other major exhibitions hosted by Sinoexpo Informa Markets covering themes such as food processing and packaging, hotel catering, furniture, commercial space and lifestyle, to present the "Connexion Shenzhen". The exhibitions will be held across 12 halls at the Shenzhen World to attract domestic and international professional buyers from industries such as health, hotel, design, furniture, etc. What's more, the exhibitions will link the entire value chain of the nutrition and health, food processing and packaging, hotel catering, lifestyle, coffee & baking, commercial space, and customized soft furnishing industries, to form an innovative and multi-faceted comprehensive platform, aiming to reach new heights and move to a new stage of development in the economy and trade of the Greater Bay Area!

## FEATURED SHOW ZONES & PAVILIONS

# 2024 REVIEW

The HNC Shenzhen 2024 joined efforts with the other major exhibitions hosted by Sinoexpo Informa Markets, covering themes such as food processing and packaging, catering, hotel, furniture and lifestyle, to present the "Connexion Shenzhen". More than 114,766 professional buyers, including domestic and overseas distributors, agents, import and export traders, e-commerce platforms, retailers, and manufacturers, gathered at the exhibitions. Media outlets, including network media, live broadcast platforms, and self-media, were all in place to compose a comprehensive network of resources, energizing the entire South China market. A vertically integrated and widely interconnected one-stop platform was successfully created in the Greater Bay Area.

## PROFESSIONAL VISITORS FROM 50+ COUNTRIES AND REGIONS

Top 10 Visitor Source Region from Overseas & Hong Kong, Macao and Taiwan of China.

## MULTI-CHANNEL BUSINESS MATCHMAKING

### New Health Potential · Product Matchmaking for E-Commerce Channels

Quality MCN agencies, influencers, group buying leaders, and other online channel representatives will be invited to meet face-to-face with exhibitors for efficient discussions. The activity aims to uncover new potentials in health consumption and explore new e-commerce collaborations, driving the “new potential” in health development.

### New Health Growth · Product Matchmaking for Chains

The exhibitors have the opportunity to negotiate with well-known national chain supermarkets, chain pharmacies, and popular online platforms. The business matchmaking area is dedicated to creating an efficient trade interaction space to promote deep integration of resources and lead the new era of multi-channel growth.

## EXHIBITOR QUOTES

### SIRIO PHARMA CO., LTD.

The exhibiting experience this time exceeded expectations. The Hall 3 where Sirio was located was full of people and we gained many potential clients. During the exhibition, all work went smoothly and orderly, inseparable from the meticulous preparation and considerate service of the organizers. Every detail showed their dedication. We are grateful for the efforts of the organizers and look forward to continuing to work together in the future!

### WRIGHT LIFE PHARMACEUTICAL LIMITED

Thanks for providing a bridge for us to connect with brands and industry professionals in the health industry, promoting China's health industry to lead the global trends. As a company with two large-scale GMP-certified production factories in the mainland and Hong Kong of China, Wright Life gathers high-quality ingredients from around the world and efficiently offers superior OEM manufacturing services and exceptional product quality.

### YURALA CO., LTD.

We are extremely grateful to the HNC providing a comprehensive one-stop business and trade exchange platform. During this exhibition, our company showcased advanced anti-aging services and products from Japan, engaging in in-depth exchanges with excellent domestic buyers and numerous brand owners, and received wide recognition and praise. Thanks for the high-quality services provided by the organizers. We wish the HNC will continue to flourish and become even better!

### YUNNAN BAIYAO HEALTH SUPPLEMENTS BUSINESS UNIT

Thanks for the platform provided by the organizers. Through the HNC Shenzhen, we have connected and exchanged with hundreds of clients, and harvested potential collaboration opportunities, which are beneficial for conducting sales business and the optimization of supply chain. Additionally, it has opened up more possibilities for media collaborations. We hope to establish deeper cooperation with HNC and embrace new opportunities.

### SHAANXI GUOFENG GREAT HEALTH INDUSTRY CO., LTD.

It is a great honor to participate in the HNC Shenzhen 2024. As the top brand of honey water in China, "Fengjie" attracted numerous domestic and international clients to our booth. Fengjie displayed its classic products as well as new offerings, gaining favour from over 600 clients. We are deeply grateful for the exhibition platform and the networking opportunities it provided. We will continue to follow and participate in future exhibitions and activities.

# HIGH-QUALITY RESOURCES UNLIMITED OPPORTUNITIES

## The Long-Term Accumulation of Professional Buyer Resources

Relying on the profound market foundation cultivated by HNC in Shanghai for fifteen years and the channel advantages accumulated in Guangzhou over a long period of time, the organizers carefully screen more than 100,000 pieces of data in database, and invite global health product distributors, agents, retail stores, pharmacy chains, supermarkets, e-commerce and WeChat business, as well as high-end buyers in South China.

## Online & Offline Publicity

The organizers promote the exhibition and enterprises through channels such as vertical media, news feed ads, search engine marketing (SEM), news releases, short videos, influencer marketing, online live streaming, etc., as well as the offline channels such as airport/railway station advertising, subway station advertising, outdoor advertising, TV advertising in the office building, radio advertising, newspaper and magazine advertising.

\*The list is in no particular order.

## Quality Resources from Local Associations

Through the relationship network with Health Care Food Profession Association of Guangdong Province, Shenzhen Association for the Development & Promotion of Health Industry, etc., the member enterprises and distributors/agents in various regions are organized into strong groups of professional visitors.

## International Buyers from Informa Markets

The organizers take advantage of the global show resources from the health, nutrition, beauty, food, baby and maternity sectors of Informa Markets to invite overseas buyers from multiple channels.

\*The list is in no particular order.
